

ENGLISH DREAM: SURVIVAL TIPS 2nd Edition

- ◆ Finding a job in England: the reality versus the dream
- ◆ Living, studying and working in England
- ◆ How to write a Cover Letter and how to apply for a job in England
- ◆ Which University to choose? Which city? Which job should I look for?
- The multifaceted reality of the English landscape
- ◆ Funds, sponsorships, research grants...but above all....bills!
- ◆ The “Bella Vita”: pros and cons, similarities and differences among the Young Generation
- ◆ The experience of a “survivor”.

This is a series of lessons in English, organized by **Paola Palma**, former lecturer Master in Science Maritime Archaeology for a British University and associate researcher for CNR in Italy, to introduce the English world to those who are thinking of reaching the English shores either for work or to study or just to spend some time abroad.

The use of personal laptop during the course is strongly advised.

Il laboratorio si sviluppa nell'arco di 7 incontri di 90 minuti.

- ◆ Martedì ore 15.30-17.00 dal 31 gennaio al 14 marzo 2017
